At the November conference, Dr. Robert Olsen stepped up to be President of PMANM and we have already started working on our spring conference. I know that I am going to have a great

year working with Dr. Olsen. His positivity is infectious, and he brings a great deal of knowledge to PMANM.

I am extremely grateful to have been Executive Director with Dr. Caitlin Armijo as President. I am thrilled that she will be staying with the Council. Dr. Armijo is truly one of the best Presidents that I have worked with in all my years of being an Executive Director. With Dr. Armijo, PMANM has a leader who really cares about this district branch and is supportive of its members.

Please take a moment and read the letters from Dr. Armijo and Dr. Olsen:

PMANM Council
